Guidelines for Attending

Whenever you feel you're ready to join us in person, *you'll be welcome – as long as you're willing to follow the current health and safety guidelines* (see below). Please keep in mind that these **guidelines will continue to apply** for a while as we open up **Sabbath School Classes** (Oct. 3) along with **Pathfinders and Adventurers** (Oct. 5).

1. We will be doing our best **to protect you and everyone attending**. This means that each week all parts of our facility are thoroughly cleaned and high touch areas disinfected.
2. We ask that you help us keep our time together safe by doing your best to:
 - ... maintain **appropriate social distancing** between household groups interacting throughout the building.
 - ... protect each person attending from getting infected by someone who may have the virus but is not experiencing any symptoms by:
 - checking your temperature before coming to church in the morning and staying home if it's elevated (99.5 or above)
 - **wearing a mask** while at church. If you don't have one, we'll be happy to provide one for you when you come
 - generously using the provided **hand sanitizer**
 - **not hugging or shaking hands** with anyone outside of your family group
3. The **water fountains are still not available**. We will have some bottles of water available. Feel free to bring some from home for you and your family.
4. We are still **not handing out bulletins or passing the offering plates**. Hymnals or Bibles will not be available in the pews for a while until the risk of infections become lower. Feel free to bring your own Bible from home.
5. You may **share your tithes and offerings** online by [clicking here](#), dropping them in the *Offering Boxes* by the two side doors into the Sanctuary from the Lobby, or mailing it to us at: Golden Hills SDA Church, 3005 Golden Blvd., Bellevue, NE 68123.
6. It will still be a while until we get back into potlucks or breakfast.

7. If you are uncomfortable in any way with meeting don't hesitate to wait a bit longer before venturing back to our building – we will continue to livestream our worship service and providing ways for those watching at home to participate. You can view it on our [Website](#), our [Facebook Page](#), or our [YouTube Channel](#).
