Golden Hills SDA Church

What We Are Doing

1. We are making plans for an **interactive, on-line worship experience** each Sabbath at 11:15 am. This can be viewed on our **YouTube Channel** and our **Golden Hills SDA Church** Facebook page.
 - You can find our **YouTube Channel** by going to www.youtube.com and searching for **Golden Hills SDA Church** (or [click here](#)). All the previous services we have live streamed are [here](#) as well.
 - You should be able to find our Facebook page by logging on to Facebook and searching for Golden Hills SDA Church. We are in the process of sending **Friend Requests** – if you got missed and are unable to find us, text Nathan Wisecup at 402-297-0600 and he will send you a request.
2. The **Alternate Sabbath School Class** is experimenting with **holding class online** using internet video conferencing. If you would like to be a part of that experiment, text John Stroman at 402-871-9764.
3. We are working on an option to hold **prayer meeting online** through video conferencing. We will send out information on this as soon as plans are finalized.
4. Pastor T will be sending out regular, short **video messages** through our **Church's Facebook** page along with a **Daily Promise from God**.
5. We will continue to keep our **website's homepage** up to date with the most current information we have. We will continue using **Facebook**, **Remind** (our text messaging emergency alert system), and **Golden News** (our weekly email newsletter) to keep you up to date. We will occasionally send out letters through the mail as well.

What You Can Do

1. **You can pray!** This is perhaps the *most important* thing you can do. Pray for yourself and your family. Pray for others in our church, particularly those who are vulnerable and our leadership team as they work to keep us connected and focused on Jesus. Pray for our community, and our country. There is power when we together pray for God to be at work in our lives and world!

2. Be sure you are **signed up to receive information** from us via **Remind** and **Golden News** – see below for more info.
3. You can **pick up the phone** and call those you think may be alone. Stay in touch with them, encourage them, pray with them.
4. If you're able and healthy, **offer your services to help others**. There may be some who are unable to get to the store to get groceries or medicine. Sharing videos or reading material could be helpful to some. Just remember to minimize contact so you don't bring or pick up unwanted germs – simply leaving it on the door step is a good idea.
