Main Speaker: Jennifer Woody

Pastor Jennifer Woody serves as Chaplain for Auburn Adventist Academy, where she also teaches Bible for grades 10 & 12. Her two passions in life are deeply studying the Word of God and sharing the Gospel with all ages, especially youth and young adults.

Currently Pastor Woody has been working on inspiring her youth to be an active part of the church, to be strong servant leaders and to bring the church back to its original mission, to share the Gospel. A dream she has is to see the youth and young adults fully engaged in our Adventist church: growing, leading and mentoring future generations to be fully committed to Jesus Christ and the hastening of His soon return.

Jennifer Woody Presents

The Walking Dead

Most of us just go through the motions of life, but we are not truly living. Come discover the secret of real life and no longer be among the *Walking Dead*.

Practice Makes Perfect

Knowing and having a fulfilling relationship with God are two different things. We know we need it, but how do we achieve it? In this talk Pastor Jennifer will walk us through and teach us devotional practices and principles that will build a strong relationship with God.

The Only Choice

We have tried for way too long as women especially to make everything fit into our day, to juggle and multitask too many things so we feel like we are not succeeding in anything. There is a choice that solves all of this, a choice that gives us peace no matter how many failed "to do lists" or circumstances. Pastor Jennifer invites you to explore the choice that will change your life.

Letting Go of All

This is a small group Bible study lesson on how to let go and give it to God. We are guilty of trying to be *ALL* to everyone and everything. In this study you will see it's only by letting go and trusting God that we really receive peace. Enjoy as you explore the scriptures together and grow from each other's insights on what it means to let go of *ALL*.
